

Name:		Date:	
P1.1	<i>Design Based Occupations</i>		

It is important to realise that while specific occupations in design exist, they are not the only jobs that involve the use of design and technology skills and knowledge. In one or two lines, describe how design is important in each of the following professions. Use the following link to complete this sheet. <http://goo.gl/TmwnJy>

Architect

Fashion designer

Furniture designer/maker

Graphic artist

Industrial designer

Interior designer

Web designer

Landscape designer

Set designers

Create a list of the design-related jobs that you think would have been involved in the development of Wet'n'Wild, theme park in Sydney.
